PROFESSIONAL EXPERIENCE

NYU LANGONE MEDICAL CENTER, New York, NY

Senior Financial Analyst, SOM Missions (November 2016 – Present)

Senior Financial Analyst, Transformation (January 2014 – November 2016)

- Developed business-plan models to help others manage their budgets and spend
- Managed finances for Office of Science and Research Awards, ensuring budgets are accurate and awards are spent effectively
- Managed implementation of institution-wide Oracle Business Intelligence financial reporting solution, including: designing and testing reports for several financial areas, communicating approval workflow, and developing training materials for users
- Developed Business Partners website to communicate financial information to Researchers and Department Administrators
- Experience managing Transformation Team staff, and served as Interim Manager of Research Finance Operations billing
- Performed large-scale analysis to develop FY16 and FY17 Budgets for Departments under the School of Medicine
- PeopleSoft Financials query development and experience working with various data tables
- Monthly close activities: booked journals for Education Mission and internal billing, developed P&L meeting materials

Additional Initiatives:

- Mentee in the 2015-16 NYU Langone Medical Center Finance Mentorship Program

KPMG LLP, New York, NY

Senior Audit Associate (July 2012 – December 2013)

Audit Associate (November 2010 – July 2012)

- Developed an operational understanding across a wide variety of insurance and banking clients, including Bank of America, Mutual of America, Navigators Group, and AIG.
- Effectively developed and maintained relationships with new and recurring clients
- Performed extensive industry research in preparation for audit services and to plan audit-approaches moving forward
- Lead auditor for several insurance entity audits, as well as a SEC Custody Rule audit of pension funds
- Performed substantive analytics over trial balance accounts predicting year-over-year fluctuations
- Developed job aids and facilitated teamwork on an advisory project for Bank of America, focusing on the quality control of loan modifications for foreclosed homeowners, and involving the efforts of several consultants and managers at BOA
- Experience working in large teams where collaboration is key

Additional Initiatives:

- Junior Achievement of America New York (JANY): lead KPMG insurance practice bowling team during JANY's Bowl-a-thon fundraising event and coordinated other fundraising activities for the event; delivered and read books that were donated by KPMG to a 2nd grade class in schools affiliated with JANY, 2011-2013
- Coordinated assembly of the Insurance Practice Newsletter, noting industry news and employee profiles, 2013

GSI COMMERCE, AN EBAY COMPANY, King of Prussia, PA

Accounting Operations Intern (July 2009 – February 2010)

- Responsible for accounts payable for both GSI and their acquisitions
- Exported human resources data from PeopleSoft, and created budget spreadsheets in Excel
